Outreach Alaska Booth

Bishop BASIL visits booth.

Icons and icon cards were distributed.

St. Herman icons gone –
St. Innocent icons will be gone soon.

SOLD OUT – time to close booth.

*This was the most successful PLC booth we have ever had. Nearly everything was distributed or sold out. We brought home over \$1,000 to be added to the Outreach Alaska accounts. Lots of interest and loving people. They will miss this from now on since Outreach Alaska will be ending. My time at conferences has been both spiritual and a blessing to me and to the Outreach Alaska mission.
